## Steam iron

### 3000 Series

2200 W power

35 g/min continuous steam

160 g steam boost

Ceramic

DST3020/26

## Powerful steam to tackle every crease

### Steamboost up to 160g

Our steam iron 3000 series makes ironing easy with the powerful steam boost that tackles tough creases. The ceramic soleplate ensures smooth gliding while the 300ml water tank is large enough to finish smaller ironing loads without a refill.

#### Fast ironing

- 2200 watt for fast heat-up
- Continuous steam up to 35g/min for constant performance
- Steam boost up to 160 gram for extra power

#### Easy ironing

- Iron more in one go with the 300ml water tank
- Our drip stop prevents water dripping on your garment
- Reach difficult places easily with the triple precision tip
- Vertical steaming for hanging fabrics

#### Long lasting performance

- Built-in calc-clean slider, long-lasting steam performance

#### Easy ironing

- Smooth gliding ceramic soleplate

# Highlights

## Steam boost up to 160 gram

The strong steam boost gives you that extra power to penetrate deeper into the fabric and cut through the tough creases easily.

## Continuous steam up to 35g/min

Strong and consistent steam output to remove creases faster.

## 2200 watt for fast heat-up

Delivers fast warm-up and powerful performance.

## Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It does not stick to your garment, is scratch resistant and easy to keep clean.

## Drip stop

Our drip-stop system prevents leakage to avoid stains from water droplets, so you can iron with confidence at any temperature.

## Vertical steam

With the vertical steam function you can refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

## Triple precision tip

The tip is precise in 3 ways: it has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

## Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.

## 300ml water tank

Fewer refills are required thanks to a large 300ml water tank. So you can iron more clothes in one go.

# Specifications

## Calc management

Built-in Calc Clean Slider  
Descaling and cleaning

## Powerful performance

Steam boost: Up to 160 gram  
Continuous steam: 35 g/min  
Ready to use: 35 sec.  
Power: 2200 W

## Easy to use

Water tank capacity: 300 ml  
Drip stop  
Tap water suitable  
Power cord length: 1.9 m  
Soleplate: Ceramic  
Vertical steam  
Voltage: 220-240 V  
Water spray

## Guarantee

2 year worldwide guarantee

## Green efficiency

Energy saving mode  
Product packaging: 100% recycable  
User manual: 100% recycled paper

## Size and weight

Packaging dimensions (WxHxL):  
32x13x16.2 cm  
Weight of iron: 1.2 kg  
Product dimensions (WxHxL): 12.1x14.3x29 cm  
Total weight with packaging: 1.5 kg
