Steam iron

3000 Series

2100 W power

30g/min continuous steam

140 g steam boost

Ceramic

DST3011/26

Powerful steam to tackle every crease

Steamboost up to 140g

Our steam iron 3000 series makes ironing easy with the powerful steam boost that tackles tough creases. The ceramic soleplate ensures smooth gliding while the 300ml water tank is large enough to finish smaller ironing loads without a refill.

Easy ironing

- Iron more in one go with the 300ml water tank
- Smooth gliding ceramic soleplate
- Our drip stop prevents water dripping on your garment
- Reach difficult places easily with the triple precision tip
- Vertical steaming for hanging fabrics

Long lasting performance

- Built-in calc-clean slider, long-lasting steam performance

Fast ironing

- 2100 watt for fast heat-up
- Continuous steam up to 30 g/min for constant performance
- Steam boost up to 140 gram for extra power

Highlights

Steam boost up to 140 gram

The strong steam boost gives you that extra power to penetrate deeper into the fabric and cut through the tough creases easily.

Continuous steam up to 30g/min

Strong and consistent steam output to remove creases faster.

2100 watt for fast heat-up

Delivers fast warm-up and powerful performance.

Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It does not stick to your garment, is scratch resistant and easy to keep clean.

Drip stop

Our drip-stop system prevents leakage to avoid stains from water droplets, so you can iron with confidence at any temperature.

Vertical steam

With the vertical steam function you can refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

Triple precision tip

The tip is precise in 3 ways: it has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.

300ml water tank

Fewer refills are required thanks to a large 300ml water tank. So you can iron more clothes in one go.

Specifications

Easy to use

Water tank capacity: 300 ml

Power cord length: 1.9 m

Tap water suitable

Drip stop

Soleplate: Ceramic

Vertical steam

Voltage: 220-240 V

Water spray

Size and weight

Packaging dimensions (WxHxL):

32x13x16.2 cm

Product dimensions (WxHxL): 12.1x14.3x29 cm

Total weight with packaging: 1.5 kg

Weight of iron: 1.2 kg
