

Phillips Screwdriver DIN 7438 and ISO 8764, for PHILLIPS-RECESS screws, PH 1 x 80 mm

Ergonomics, strength and security. Piece-checked with 10.000 V in the water bath, and thus certified for work under voltage up to 1.000 V.

- The curved longitudinal outline of the ergonomic handles enables high application forces
- The proved triangle shape corresponds exactly to the ideal turning angle of the hand (120°)
- Good handling due to soft component on the edges
- Fast turning zone from soft material makes working comfortable and safe
- Insulated blades
